➤ New Website

The website of the Standards and Fundamental Principles and Rights at Work Programme has been recently renovated. The Internet address for access to the Home Page is: <http://training.ilo.org/ils/ils.htm> We invite you to visit it for further information on our activities.

The new site consists of the following sections: areas of expertise, news and highlights, training calendar, training materials, team and contacts. In the areas of expertise section a subsection fully dedicated to the activities targeting judges is to be found. In the training materials section different materials, such as guides, articles, PowerPoint presentations and CD-ROMs grouped by subject are available.
